## UNDERSTANDING EMPOWER TO SERVE OUR CLIENTELE BETTER

Envisioned by Late Shri Hariom Golas in 1962, Hariom Pipes is committed to delivering quality products that exceed customer expectations. Over the past five decades, the company has stayed ahead of the curve and the group turnover of ₹2000 million today reflects the success it has attained through core competency and hard work.

An ISO certified organization, the highly skilled workforce of in-house engineers and designers at Hariom revolutionize the economics of manufacturing, while accelerating the space of innovation. With a broad range of iron and steel products manufactured by the company, you can count on high quality, cost-efficiency and on-time delivery... every time.

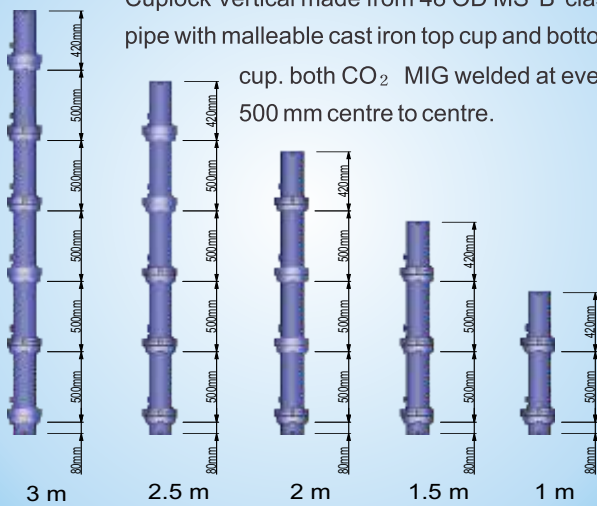

### TELESCOPIC PROPS / ADJUSTABLE PROPS / JACKS

Prop made from NB 50 mm MS 'B' Class Pipe as outer and NB 40 mm MS 'B' Class Pipe as inner which slides in & out for adjusting the height as required with support of Malleable CI nut and bottom it is CO<sub>2</sub> MIG welded with 150 x 150 x 6 mm size MS Base Plate. "The top head is available in L Type, Beam Head, U Head and Standard Flat Type."

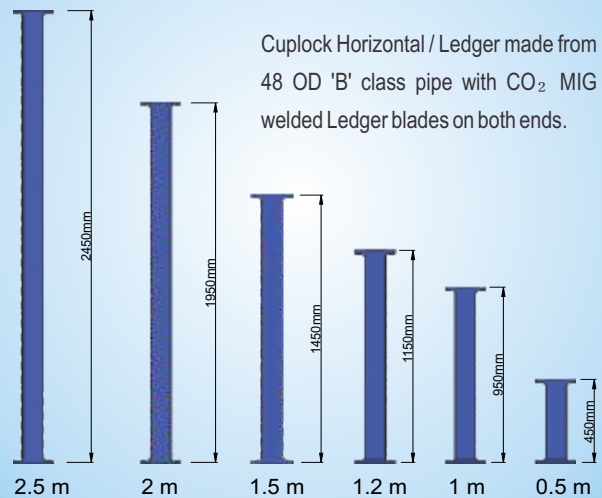

### CUPLOCK VERTICALS

Cuplock Vertical made from 48 OD MS 'B' class pipe with malleable cast iron top cup and bottom cup. both CO<sub>2</sub> MIG welded at every 500 mm centre to centre.
